CAMPAIGN IS ON FOR

INDIANAPOLIS TO SUPFLY 20,000 SOLDIERS.

GOAL IS FIXED AT \$5,000

Khaki Testaments enough to supply at least 20,000 United States soldiers and sailors will be given by Indianapolis persons, if a campaign started yesterday by the American Bible Society mittee appointed by the Bible society met at the Chamber of Commerce and fixed \$5,000 as the sum to be raised i this city toward buying Testaments to be sent to the fighting men

The Rev. Albertus Perry, paster o Park Ridge Methodist church of Chicago, is executive secretary for the campaign, and members of the execu tive committee are as follows: Governo James P. Goodrich, Albert J. Beveridge, George N. Burnie, the Rev. J. D. Garrison, A. B. Cornelius, Charles W. Fairbanks, A. H. Godard, the Rev. M. L. Haines, J. H. Holliday, J. E. Martin, the Rev. Morton C. Pearson; the Rev. F. E. Taylor and J. F. Wild.

Order for Million.

Mr. Perry explained that when the Y. M. C. A. called for 1,000,000 New Testaments to be supplied immediatel to men in military sérvice, the Ameri can Bible Society undertook the pub lishing and distribution of these books for which it has already incurred obligations to the extent of \$400,000. Bibles he said, are already on their way to he said, are already on their way to the trenches. The Bible society undertook this responsibility in the firm belief that the fund could be raised later among patriotic American citizens.

The Testament is khaki-colored, smallenough to tuck conveniently into the soldier's kit, printed in clear, easily legible type on good paper without comment or notes of any kind.

The need of the Testaments was illustrated by a letter which Mr. Perry read, written to a South Carolina woman by a boy in the United States naval training station at Norfolk, Va. He wrote:

Letter From Boy.

"I feel it my duty to write you abou matter I know you are interested in Out of the thousands of boys at this place I have seen only a few who had Testament. What do you think of the idea of the Red Cross trying to supply some of the boys with Testaments? I will gladly give my aid in any way that I can. I would be proud if my little town could have the honor of beginning what I believe to be a worthy cause. While I write I hear nothing but oaths and curses. God knows the boys need something to make them think" them think."
All churches in Indianapolis will be All churches in Indianapolis will be requested to observe next Sunday as "Khaki Testament Sunday," according to plans of the committee. On this day each Sunday school superintendent will be asked to request each member to bring 25 cents to buy a Testament for a soldier. The work will be further carried on by the ministers and their parishloners.

FOR WAR SERVICE TRAINING

Vocational Conference to Be Held at the Claypool.

Through a special communication to he chairman of county councils of defense, the state council today directed atention to the Indiana state vocational education and war service conference, to be held at the Claypool hotel tomorrow evening and Saturday.

Educational, industrial, commercial and labor forces of Indiana will hear at this conference the nation's call for immediate co-operation in carrying out an emergency war service training program.

Every county council in the state is expected to have representation at the conference and "help in the formation of plans, which will enable Indiana to continue doing her full share of the national war service work," says the state council's letter.

Why German Workingmen Cry "Peace and Freedom!"

We in American must not exaggerate, of course, the reports of strikes, peace-parades, and even peace-riots that are filtering through the stone-wall censorship established by the beneficent Kaisers of Mitteleuropa over their happy peoples, but when audiences in Germany drown out "Deutschland uber Alles" by roaring the "Marseillaise," with its wild call "to arms" against "tyrants" who "lash and goad us," outsiders can hardly be blamed for suspecting that something is stirring.

When in Frankfort in January the Fatherland party tried to hold a meeting to elucidate their plan to extend the Fatherland over all neighboring territory (at the expense of the lives of the fathers and brothers of the people in the audience), the said audience burst into shouts of "Peace and Freedom!" started the "Marseillaise," and, according to the Vorwarts, poured through the streets "like an avalanche," while the populace at the windows greeted them with waving handkerchiefs and shouts of encouragement, which led to the smashing of the windows of the local annexationist newspapers.
